Inspection report on the site of
Srinivasa Rao Duffebund Revenue
and General Secretariat, situated in
Malleswaram Extension Bangalore city.

I inspected this house on the 21st instant.
The Municipal Sub-overseer accompanied
me to help me in valuation and
technical matters. The owner has laid
a foundation which is now much damaged.
A well also has been sunk on the site.
My rough valuation of this is about
Rs 100 while that of the municipal
sub overseer's is Rs 150.

The original advance of Rs 144
has been adjusted.

The owner intends erecting a verandah
and a kitchen; the owner might
have invested the original sum
wholly on the foundation. The
owner who was present at the time of
inspection told me that the site
is not encumbered in any way.
As the owner has not insured his life
I fear the security of the present site
with foundation and well is insufficient.

The loan applied for may, it
is submitted, not be granted.
